

A template for a 4.5m angled flag. It features a large white rectangular area with a curved top-left corner. A solid black line follows the outer edge of the flag, while a purple line follows the inner curve of the top-left corner, defining a safe area for artwork. The bottom edge is a straight diagonal line.

4.5m ANGLED FLAG

ARTWORK INSTRUCTIONS - 100% Scale

Your artwork should fill the entire flag up to the purple line

The black line is the finished edge of your flag

Please keep important elements within the red dotted line as this is the safe area
