

The image shows a template for a 3.4m Feather Flag. It consists of a large rectangular area with a black border. Inside, there are two curved lines: a purple line and a black line, both curving from the left side towards the right. The purple line is further from the left edge than the black line. The text instructions are centered in the middle of the flag area.

3.4m FEATHER FLAG

ARTWORK INSTRUCTIONS - 100% Scale

Your artwork should fill the entire flag up to the purple line

The black line is the finished edge of your flag

Please keep important elements within the red dotted line
as this is the safe area
