

A large, vertical, angled flag template. The flag has a black outline and a purple inner border. The top edge is curved, and the bottom edge is angled. The flag is set against a white background.

### 3.4m ANGLED FLAG

#### ARTWORK INSTRUCTIONS - 100% Scale

Your artwork should fill the entire flag up to the purple line

The black line is the finished edge of your flag

Please keep important elements within the red dotted line as this is the safe area

When happy delete design guide layer

The image shows a template for a 3.4m angled flag. It consists of a large white rectangle with a curved top edge. A solid black line follows the curve of the top edge, and a purple line is positioned slightly above it. The bottom edge of the flag is a straight diagonal line. The text instructions are centered in the upper half of the flag.
